Brique è una collezione sviluppata in un unico formato 6,5x20 cm che interpreta in maniera originale il tradizionale formato "a mattoncino", con scelte cromatiche audaci da utilizzare da sole o in abbinamento, per gradevoli composizioni in grado di esaltare tutta la brillantezza e la luminosità di superfici dal sapore "artigianale". 12 tonalità attuali e una gradazione metallica rendono Brique una collezione che lascia alla creatività il compito di creare infinite soluzioni: un classico contemporaneo per connotare con stile il rivestimento di spazi residenziali e commerciali.

Brique collection is available in a single format, 6,5x20 cm / 2,5"x8", which interprets the traditional size of a "brick", in bold colours which can be used singularly or mixed to create compositions that exalt the brightness and luminosity of an "artisanal" surface. 12 tones and one metallic gradient make Brique a collection which allows an infinite amount of solutions: a contemporary classic which denotes with style residential and commercial spaces.
