Sensazioni tessili

unica
TARGET GROUP

Nomad trae ispirazione dai tappeti vissuti dei nomadi del deserto.
L'esperienza tattile di Nomad vi lascerà senza parole.
La ceramica si rinnova in questa superficie, dove la materia e
il colore si sposano magnificamente per creare sensazioni uniche.
Il materiale ceramico si veste sia di tinte soft e naturali che più decise,
acquistando la morbidezza e il colore tipico del tappeto.
La molteplicità delle facce decorate ricorda i frammenti di tappeti consumati e
ricuciti insieme, creando una superficie antica ma attuale.
PAPIRO, SABBIA E FUMO, per spazi delicati e sensuali,
CAPPUCCINO, CACAO E VISONE, tre colorazioni eleganti e raffinate,
MENTA, TURCHESE E MALVA, per reinterpretare gli spazi in chiave moderna.
Infine GOLD, per gli spazi lussuosi ed esigenti.
La molteplicità dei colori fanno di Nomad un
prodotto adatto ad ogni esigenza ed ispirazione.
Nomad è disponibile nei formati 60x60 cm e
nel formato 30x30 cm mosaico.
Lasciati ispirare da Nomad, con Nomad tutto è possibile.

*Nomad is inspired by timeworn carpets and rugs used by
the nomadic people of the deserts.
A tactile experience that will leave you speechless.
The ceramic surface acquires a new texture,
where the structure with its hand-knotted wool effect blends
magnificently with its colours and creates unique sensations.
From the softness of the structure to the worn out effect of
fragments stitched together, from the natural to the more decisive hues,
the final result is always a stunning ancient yet
contemporary carpet like look texture.
The wide assortment of colours to choose from
make Nomad ideal for any inspiration.
PAPIRO, SABBIA and FUMO for delicate and soothing settings;
CAPPUCCINO, CACAO and VISONE elegant and
refined shades for sophisticated areas;
MENTA, TURCHESE and MALVA,
for any modern and energetic environment.
Lastly, GOLD, for luxurious and sumptuous spaces.
NOMAD is available in the sizes 60x60 cm / 24"x24" and in
30x30 cm / 12"x12" mosaic. Let yourself be inspired by Nomad.
With Nomad, anything is possible.*
